---

We need to get with Paul on these issues. I think that Metropolitan is the last entity we would want to own a non-earning asset. My guess would be Summit Securities on the airway property and OSL on the Broadmoor Park property.

> As a follow up to the last commercial underwriting committee meeting when the acquisition of the Church property in Broadmoor and the small site in Airway Heights was approved I am recommending that the Church property be taken into Metropolitan (as the rest of Broadmoor is currently held).

>

> Tom, in regards to the SLR property in Airway I would like to take the property in Metropolitan also, because by doing so we can avoid the appraisal process and close faster. (Time is of the essence on this deal). In the interest of time, if need be, can we transfer it to another entity after Met completes the transaction?
